# Mediacom Triple Play Telephone Service

The seventh largest cable company in the US is now Mediacom. It serves smaller communities, bringing digital TV and high-speed internet in the areas of Georgia, Iowa/Illinois border, Missouri, Minneapolis and some areas of the Florida Coast.

Mediacom has invested millions of dollars in building a very high tech digital infrastructure for the smaller cities and towns that they serve. These services include digital television, broadband internet service and [internet telephone service](#). Mediacom has also invested millions to make its fiber optic footprint in order to provide the best digital products and services its customers.

Both residential consumers and business customers tend to agree, and sales prove, that the best marketing strategy is being able to provide an appropriate bundle of products and services. Mediacom has done this with their telephone, TV and cable internet service bundles. These bundles, called triple plays, can save customers lots of money over getting these services from different vendors.

[Mediacom](#) provides a triple play package called the VIP PAK. This means great savings on cable TV, high-speed Internet and Phone Service. Plus, the ease and convenience of just having one bill to pay each month! Mediacom offers 24/7 customer support, as well as a web portal for managing accounts online day or night.

Mediacom's triple play offers comes with digital television, broadband internet service and unlimited phone service.

Digital TV - Turn your television into an interactive experience for you and your friends. Suddenly, with digital TV, your television is not just a TV! Enjoy the latest in home entertainment with Mediacom's onscreen menu. Now, you are never late for TV! Design your own program and watch your shows at your own time with digital DVR. If you're not around to enjoy your shows when they come on, no problem. With DVR service, you can choose which programs to record and watch them when you have time. play, pause, skip, erase. With Mediacom's digital TV service, you are in control!

Broadband Internet Service - With the VIP Pak, you get top of the line high speed service. VIP Online offers up to 15 Mbps of download and up to 1 Mbps of upload. This means that streaming videos, music files, large data files, social networking, multiple chats and picture sharing can all happen at the same time. There's enough bandwidth for everything!

Unlimited VoIP Phone Service - Mediacom offers unlimited local and long distance digital phone service. Unlimited calling actually includes Canada and Puerto Rico too, not just the US. Mediacom goes further than its competitors by offering unlimited calling to Guam and the US Virgin Islands too. Calling features such as Three Way Calling, Call Waiting and Call Forwarding are just 3 of the 13 most popular features that Mediacom is giving its customers for free! With Mediacom, you can also keep your old phone number if you want.

If you're looking for a double or triple play media package, give them a call.
